Future of Your Child and Jyotish

The moment a parent holds his or her child for the first time is one of the most precious and cherished moments of life. The child is the supreme creator's gift to the entire family the world to keep the life-cycle running.

Because the family's future is dependent on the child, that's why it's natural for the parents to be curious to learn the future of the child, and what role they can play to make it brighter, so that the child is an asset to the family and the country.

Vedic astrology gives you a glimpse of the natural inclinations, skills, qualities negative attributes, etc., of the child. This will help the guardians understand what guidance and facilities they must provide the child to help him or her achieve the best.

This report has a detailed analysis of your child's kundali through which you can find out what opportunities and threats your child will face till he grows up.

Ascendant, Rashi etc..

Impact of the Ascendant on Your Child

The ascendant of your child is Virgo. Mercury is the lord of this ascendant. Chanting of the mantra of Mercury would be very auspicious for the child. This would be good for physical and mental development of the child. Mercury will motivate the child to concentrate on his goal.

The mantra of Mercury is: "Om Bum Budhaya Namah" You can chant this mantra anytime in the morning or evening. You should chant the mantra 108 times everyday. You can also chant the mantra 11 times if you don't have sufficient time.

Impact of the Rashi on Your Child

Your child is born in Aquarius sign. He will be strong, and his neck and lips will be fat. He may have less hairs on his head. He may have to practise yoga to keep himself physically fit. He will drink plenty of water. The child may be imaginative and his thoughts would be unstable. He may be a bit naughty and talkative.

The child will be intelligent and will be clever in getting his work done. He will like having friendship with renowned and respected people. Your child will have an influential personality, due to which, everybody would admire him. He will be courageous and will raise his voice against injustice.

Your child will always be ready to help others, and will also be obliged to the help he will get. Your child may buy a vehicle. He may have gastric problems.

Along with some good traits, the child may have some shortcomings as well. He may be arrogant and jealous. He may also be lazy. You should try to improve his habit.

Impact of Day of Birth on Your Child

Your child is born on Monday. His behaviour will be friendly. He will be happy and will try to keep others happy. He will talk politely with everybody but will not like to waste time on unnecessary things. He will be generous and will help people in need.

He will be good in studies and will also have knowledge of arts. Your child will have good tolerance power and he will face every situation with courage. When he will grow old, he will earn a lot of money. He may suffer from cough or gastric problem. He should take care of his health.

Birth Nakshatra of Your Child

Your child is born in Dhanishtha Nakshatra whose lord is Mars. Your child will be bold. He may like to listen music. He will be compassionate and will always be ready to help others. He will have deep faith in god. No one can get his work done by pressurising your child.
