## **Marriage And Prosperity This Year**

### **The Year For You**

Married life is one of the most important factors in a person's life and it is no surprise that everybody eagerly wants to know about it. According to astrology; peace, happiness, love and tensions are revealed by planetary positions in the horoscope of an individual. You may have seen couples madly in love with each other abruptly grown apart, ending in separation. In reality, a planet's transit can create different situations at different times in your married life.

This report contains information about your married life based on Mahadasha, Antardasha, Pratyantar Dasha, seventh house which is considered the house of married life, the transit of planets and the transit of the lord of the seventh house. Astrological remedies for the problems, if any, are also provided here which may be helpful in making your married life happier.

## **The Impact of Planetary Dasha on Married Life**

### **Mahadasha : Jupiter**

01 May 2011 - 01 May 2027

During this Mahadasha of Jupiter, you need to stay sensible and understanding in order to maintain peace in your married life. Due to a weak Jupiter, your mind may wander and you may be tempted to do unethical things. This may create an environment of tension and unrest in your married life. Meditation or relaxation can, at a large extent, help you in calming the unrest in your mind.

During this period you may face economic problems. Work with patience and do not get obsessed with the rewards. Restlessness and irritability may increase your family's problems. Consult every member of the family and come to a solution with the consent of everybody. Sharing your problems with your family will lighten your burden. Avoid blaming others even when they may be wrong.

### **Antar Dasha : Jupiter-Venus**

13 March 2019 - 11 November 2021

You are currently running through the Antardasha of Venus in Jupiter. You may become egoistic during the period which may create differences in your married life. Moreover, during this period you may become confused. One side of you says that materialism and love is the only comfort of life while the other says that we should not fulfil our desires in a wrong way. Try to have patience and better coordination with your spouse or it may tense your married life.

### **Pratyantara Dasha : Jupiter-Venus-Mars**

30 December 2019 - 25 February 2020

Right now, you are under the influence of Mars Pratyantar dasha. Shedding your arrogance

and respecting the feelings of your spouse will help keep your family happy. This will also increase the coordination and support from your spouse in running the family.

#### **Pratyantara Dasha : Jupiter-Venus-Rahu**

25 February 2020 - 20 July 2020

During this period, you are running under the influence of Rahu Pratyantar dasha. This period will be of mixed experience in your married life. You and your spouse may go on a trip. You may develop negative thoughts related to your family. It is advised that both of you be cordial to each other and do not let negative thoughts overcome you.

#### **Pratyantara Dasha : Jupiter-Venus-Jupiter**

20 July 2020 - 27 November 2020

You are currently under the influence of Jupiter Pratyantar dasha. During this period, you need to act with maturity to maintain peace and harmony. There is also a possibility that you may insult your elders which may disturb your spouse.

#### **Pratyantara Dasha : Jupiter-Venus-Saturn**

27 November 2020 - 30 April 2021

During this period, you are under the influence of Saturn Pratyantar dasha. At this time, you may get inclined towards detachment, but you will not let this affect your married life. You will try to keep your relationship cordial with your spouse. If any problem arises, you will try to solve it on your own thereby ensuring your happiness and that of others.

This dasha of Saturn may make you hard-headed which will help you stand undeterred on your path. You will try to shoulder your family responsibilities alone.

### **Remedy Through Gemstones**

Wearing Jupiter's gemstone, topaz, will be good for you. This will help you in solving family related problems intelligently. Monetary problems, if any, will decrease and there will not be any obstacle in your work due to this.

### **Remedy Through Donation**

You can donate topaz, bronze, gram pulse, gram flour, khandsari, yellow cloth, yellow flower, turmeric, horse, ghee, sugar, laddu of gram flour or boondi.
